

2014 REAL Action Grant Winners

Each of the following groups have received a \$250 REAL Action grant for their environmental project.

The Drummond Central School Parent Council for rain barrels and tools for their Pumpkin Patch Project.

SFDCI Food Program and Special Needs Class for raised garlic beds in their community garden.

The Lanark Highlands Youth Centre for a freezer to preserve produced grown in their community garden.

YAK Youth Services, for tshirts and a moving dolly to support their Green Volunteer Program.

The SFDCI Environmental Club for a water bottle filling station.

Community Support Services Perth, for an in house recycling program .

TYPS Youth Centre, Almonte, towards their Parks and Garden Program.

SADV Women's Monument Committee for a tree to be planted in Perth to honour women who have been victims of violence.

Carleton Place High School Enviro Project towards their winter field camp where students will study climate change.

Congratulations to the winners!

Each project is expected to be completed by June 2015, and each group will be submitting a report and photos to REAL.
