# Bike Up to 200km for 200 years of History!

## Saturday August 20, 2016

Join the celebration this day by cycling around the historic Perth Military settlement area on routes that are 50, 100, 150 or 200 km in length.

Jerseys are available to celebrate this event. This ride will also help the local charities/non profits of The Rideau Ferry Regatta, The Rideau Environmental Action League, CHEO mental health, and Breast Cancer.

The routes will all start and end in Rideau Ferry at the Public Docks, and there will be a refreshment break at the 2016 Lanark County Plowing Match and in historic Heritage Perth. Spectacular views in the Municipalities of Drummond/North Elmsley, Tay Valley and Beckwith will abound.
