

## COVID 19 and the REAL Deal

**Thank you for your understanding during the REAL Deal's closure between March 18 and May 26. We are glad to be able to serve you once again and will be doing a few things differently to reduce the possibility of spreading this dangerous virus.**

**Masks.** For everyone's safety, face masks are required while in the store, dome or in close proximity to others while outside. If you do not have a mask, we will provide you with one. Gloves are also available for customer use.

**Hand Sanitizer.** Hand sanitizer is available for your use at the entrances. Please use it when entering and leaving the store.

**Donations.** We ask that all donations be taken to the back gate so that they can be set aside for three days before being handled by our volunteers.

**Physical Distancing.** Please make every effort to give fellow shoppers two metres of space while shopping. Management reserves the right to limit the number of people in the store at times when physical distancing cannot be maintained.

**Sorters.** More displaying of store items will take place days the store is not open, to reduce possible congestion.

**Payments.** To reduce the need for cash transactions, we will now accept debit purposes for any amount, and will accept Visa and Mastercard. We continue to accept cash.

**Paper Towels in Washroom.** We have provided paper towels instead of a communal towel in the washroom. Please use the trash can provided.

**Extra Cleaning.** We have established a schedule for regular sanitizing of frequently used surfaces, including door handles, shopping baskets, the debit machine, cash counter etc, as well as regular cleaning of the washroom and kitchen.

**Please do not enter the store if you are feeling unwell, or if you have been exposed to someone who has tested positive for COVID 19.**

**We would be happy to see you another day.**
