

REAL Native Plant Sale 2025. TREES and SHRUBS. Follow link below for photos and more info.

<i>Lindera benzoin</i>	Northern Spicebush	3	1 gallon
------------------------	--------------------	---	----------

Height/Spread: 6–12 ft tall and wide; **Form:** Multi-stemmed, rounded shrub; **Bloom:** Small yellow flowers in early spring; **Fruit:** Red berries on female plants (need male nearby); **Fall Color:** Bright yellow; **Light:** Part to full shade (tolerates some sun); **Soil:** Moist, well-drained, rich in organic matter; **Water:** moderate; likes consistent moisture; **Growth Rate:** Moderate to fast; **Maintenance:** Low; minimal pruning; **Wildlife Value:** Host for Spicebush Swallowtail; berries feed birds. <https://networkofnature.org/species/woody-plants/5989-lindera-benzoin.htm>

<i>Cercis canadensis</i>	Eastern redbud	5	1 gallon
--------------------------	----------------	---	----------

Height/Spread: 20–30 ft tall, 25–35 ft wide; **Form:** Spreading, rounded tree; **Bloom:** Rosy-pink flowers in early spring; **Fruit:** Flattened seed pods in summer; **Fall Color:** Yellow to golden; **Light:** Full sun to part shade; **Soil:** Moist, well-drained, adaptable; **Water:** Moderate; prefers consistent moisture when young; **Growth Rate:** Moderate; **Maintenance:** Low; prune after flowering if needed; **Wildlife Value:** Attracts pollinators; seeds feed birds and small mammals. <https://networkofnature.org/species/woody-plants/4069-cercis-canadensis.htm>

<i>Asimina triloba</i>	Paw paw	5	4"
------------------------	---------	---	----

Height/Spread: 15–30 ft tall and wide; **Form:** Small, pyramidal tree or large shrub; **Bloom:** Maroon flowers in spring; **Fruit:** Large, edible yellow-green fruit in fall; **Fall Color:** Yellow; **Light:** Part shade to full sun (more fruit in sun); **Soil:** Moist, well-drained, rich in organic matter; **Water:** Moderate; prefers consistent moisture; **Growth Rate:** Slow to moderate; **Maintenance:** Low; minimal pruning; **Wildlife Value:** Host plant for Zebra Swallowtail. <https://networkofnature.org/species/woody-plants/3105-asimina-triloba.htm>

<i>Hypericum prolificum</i>	Shrubby st johns wort	3	1 gallon
-----------------------------	-----------------------	---	----------

Height/Spread: 2–4 ft tall and wide; **Form:** Dense, rounded shrub; **Bloom:** Bright yellow flowers in mid to late summer; **Fruit:** Brown seed capsules; **Fall Color:** Yellowish-green; **Light:** Full sun to part shade; **Soil:** Well-drained; tolerant of poor or rocky soils; **Water:** Low to moderate; drought tolerant once established; **Growth Rate:** Moderate; **Maintenance:** Low; may prune in early spring; **Wildlife Value:** Attracts pollinators; seeds may feed birds. https://grownative.org/native_plants/shrubby-st-johns-wort/

<i>Amelanchier laevis</i>	Alleghany Smooth serviceberry	5	1 gallon
---------------------------	-------------------------------	---	----------

Height/Spread: 15–25 ft tall, 15–20 ft wide; **Form:** Multi-stemmed small tree or large shrub; **Bloom:** White flowers in early spring; **Fruit:** Edible red purple berries in summer; **Fall Color:** Orange red; **Light:** Full sun to part shade; **Soil:** Moist, well-drained, slightly acidic; **Water:** Moderate; prefers even moisture; **Growth Rate:** Moderate; **Maintenance:** Low; prune to shape remove suckers; **Wildlife Value:** Flowers support pollinators; berries attract birds, mammals. <https://networkofnature.org/species/woody-plants/2850-amelanchier-laevis.htm>

<i>Liriodendron tulipifera</i>	Tulip Tree	5	1 gallon
--------------------------------	------------	---	----------

Height/Spread: 60–90 ft tall, 30–50 ft wide; **Form:** Tall, straight-trunked tree with a broad, pyramidal crown; **Bloom:** Large, tulip-shaped yellow-green flowers with orange centers in late spring; **Fruit:** Cone-like clusters of winged seeds; **Fall Color:** Bright yellow; **Light:** Full sun to part shade; **Soil:** Moist, well-drained, deep and fertile; **Water:** Moderate; prefers consistent moisture; **Growth Rate:** Fast; **Maintenance:** Low; prune in winter if needed; **Wildlife Value:** Flowers support bees; seeds feed birds and small mammals.

<https://networkofnature.org/species/woody-plants/6008-liriodendron-tulipifera.htm>

<i>Rubus Odoratus</i>	Purple flowering Raspberry	5	1 gallon
-----------------------	----------------------------	---	----------

Height/Spread: 3–6 ft tall and wide; **Form:** Suckering, dense shrub with arching canes; **Bloom:** Large, rose-purple flowers throughout summer; **Fruit:** Edible red raspberries in late summer; **Fall Color:** Yellow to bronze; **Light:** Full sun to part shade; **Soil:** Moist, well-drained, tolerant of various types; **Water:** Moderate; prefers consistent moisture; **Growth Rate:** Moderate to fast; **Maintenance:** Low; prune to manage spread and shape; **Wildlife Value:** Attracts pollinators; fruit eaten by birds and mammals.

<https://networkofnature.org/species/woody-plants/7565-rubus-odoratus.htm>

<i>Ilex verticillata</i>	Winterberry	5	1 gallon
--------------------------	-------------	---	----------

Height/Spread: 6–10 ft tall and wide; **Form:** Upright, multi-stemmed deciduous shrub; **Bloom:** Small white flowers in late spring; **Fruit:** Bright red berries on female plants (requires male nearby); **Fall Color:** Yellow to bronze; **Light:** Full sun to part shade; **Soil:** Moist to wet, acidic; tolerates clay; **Water:** Moderate to high; prefers moist soils; **Growth Rate:** Moderate; **Maintenance:** Low; prune in early spring if needed; **Wildlife Value:** Berries provide winter food for birds. <https://networkofnature.org/species/woody-plants/5635-ilex-verticillata.htm>

REAL Native Plant Sale 2025. PERENNIALS. Follow link below each for photos and more info.

<i>Aruncus dioicus</i>	Bride's Feathers, Goat's Beard	5	1 gallon
------------------------	--------------------------------	---	----------

Height/Spread: 4–6 ft tall and wide; **Form:** Upright clumping perennial; **Bloom:** Creamy white plume-like flowers in early summer; **Light:** Part to full shade; **Soil:** Moist, rich, well-drained; **Water:** Moderate to high; **Growth Rate:** Moderate; **Maintenance:** Low; cut back after flowering; **Wildlife Value:** Attracts pollinators. <https://www.gardenia.net/plant/aruncus-dioicus-goats-beard>

<i>Baptista Austrailis</i>	False Blue Indigo	5	4"
----------------------------	-------------------	---	----

Height/Spread: 3–4 ft tall, 3–4 ft wide; **Form:** Bushy, upright perennial; **Bloom:** Blue-purple pea-like flowers in late spring to early summer; **Light:** Full sun to part shade; **Soil:** Well-drained, tolerates dry soils; **Water:** Low to

moderate; **Growth Rate:** Slow to moderate; **Maintenance:** Low; cut back in fall; **Wildlife Value:** Attracts bees and butterflies. https://www.wildflower.org/plants/result.php?id_plant=BAAU

<i>Desmodium Canadense</i>	Shwytick Trefoil	5	4"
----------------------------	------------------	---	----

Height/Spread: 3–5 ft tall and wide; **Form:** Upright, spreading perennial; **Bloom:** Pink to lavender pea-like flowers in mid to late summer; **Light:** Full sun to part shade; **Soil:** Well-drained; **Water:** Moderate; **Growth Rate:** Moderate; **Maintenance:** Low; **Wildlife Value:** Host for butterflies, attracts pollinators. <https://networkofnature.org/species/forbs/4545-desmodium-canadense.htm>

<i>Echinacea purpurea</i>	Purple Coneflower		4"
---------------------------	-------------------	--	----

Height/Spread: 2–4 ft tall, 1.5–2 ft wide; **Form:** Upright clumping perennial; **Bloom:** Large purple-pink daisy-like flowers summer to fall; **Light:** Full sun; **Soil:** Well-drained; **Water:** Moderate; drought tolerant once established; **Growth Rate:** Moderate; **Maintenance:** Low; deadhead to prolong bloom; **Wildlife Value:** Attracts pollinators and birds. https://www.wildflower.org/plants/result.php?id_plant=ecpu

<i>Rudbeckia Triloba</i>	Branched Coneflower	5	4"
--------------------------	---------------------	---	----

Height/Spread: 3–5 ft tall, 2–3 ft wide; **Form:** Upright, bushy perennial; **Bloom:** Bright yellow daisy-like flowers with dark centers mid-summer to fall; **Light:** Full sun to part shade; **Soil:** Well-drained; **Water:** Moderate; **Growth Rate:** Fast; **Maintenance:** Low; self-seeds readily; **Wildlife Value:** Attracts butterflies and bees. <https://networkofnature.org/species/forbs/7592-rudbeckia-triloba.htm>

<i>Veronia supp</i>	Ironweed	5	4"
---------------------	----------	---	----

Height/Spread: 4–7 ft tall, 2–4 ft wide; **Form:** Upright perennial; **Bloom:** Bright purple flowers late summer to fall; **Light:** Full sun to part shade; **Soil:** Moist, well-drained; **Water:** Moderate to high; **Growth Rate:** Moderate; **Maintenance:** Low; cut back in fall; **Wildlife Value:** Attracts butterflies and bees. <https://www.gardenia.net/plant/vernonia-noveboracensis>

<i>Monarda punctata</i>	Spotted Bee Balm	5	4"
-------------------------	------------------	---	----

Height/Spread: 1.5–2 ft tall and wide; **Form:** Upright, clumping perennial; **Bloom:** Tubular, spotted yellow flowers with purple bracts in mid to late summer; **Light:** Full sun to part shade; **Soil:** Well-drained; **Water:** Moderate; **Growth Rate:** Moderate; **Maintenance:** Low; deer resistant; **Wildlife Value:** Attracts bees, butterflies, and hummingbirds. https://www.wildflower.org/plants/result.php?id_plant=MOPU

<i>Geum triflorum</i>	Prairie Smoke	5	4"
-----------------------	---------------	---	----

Height/Spread: 8–12 in tall, 12–18 in wide; **Form:** Low clumping perennial; **Bloom:** Pink to reddish nodding flowers in spring; **Light:** Full sun to part shade; **Soil:** Well-drained, dry to medium moisture; **Water:** Low to moderate; **Growth Rate:** Slow; **Maintenance:** Low; **Wildlife Value:** Attracts pollinators. <https://networkofnature.org/species/forbs/5357-geum-triflorum.htm>

<i>Tiarella cordifolia</i>	Heartleaf Foamflower	5	4"
----------------------------	----------------------	---	----

Height/Spread: 8–12 in tall, 12–18 in wide; **Form:** Low spreading groundcover; **Bloom:** White to pale pink bottlebrush flowers in spring; **Light:** Part to full shade; **Soil:** Moist, well-drained; **Water:** Moderate; **Growth Rate:** Moderate; **Maintenance:** Low; **Wildlife Value:** Attracts pollinators. <https://networkofnature.org/species/forbs/8465-tiarella-cordifolia.htm>

<i>Asclepias tuberosa</i>	Butterfly milkweed	20	
---------------------------	--------------------	----	--

Height/Spread: 1.5–2 ft tall, 1.5–2 ft wide; **Form:** Upright clumping perennial; **Bloom:** Bright orange flowers mid to late summer; **Light:** Full sun; **Soil:** Well-drained, dry to medium moisture; **Water:** Low to moderate; **Growth Rate:** Moderate; **Maintenance:** Low; deer resistant; **Wildlife Value:** Host for Monarch butterflies; attracts pollinators. <https://networkofnature.org/species/forbs/3101-asclepias-tuberosa.htm>

<i>Lobelia cardinalis</i>	Cardinal Flower	10	4"
---------------------------	-----------------	----	----

Height/Spread: 2–4 ft tall, 1–2 ft wide; **Form:** Upright perennial; **Bloom:** Brilliant red tubular flowers mid to late summer; **Light:** Part shade to full sun; **Soil:** Moist to wet soils; **Water:** High; **Growth Rate:** Moderate; **Maintenance:** Low; **Wildlife Value:** Attracts hummingbirds and pollinators. <https://networkofnature.org/species/forbs/6022-lobelia-cardinalis.htm>

<i>Lupinus perennis</i>	Wild Lupine	5	3" 1st yr
-------------------------	-------------	---	-----------

Height/Spread: 1–3 ft tall and wide; **Form:** Upright perennial; **Bloom:** Blue to purple pea-like flowers in late spring to early summer; **Light:** Full sun; **Soil:** Well-drained, sandy or rocky soils; **Water:** Low to moderate; **Growth Rate:** Moderate; **Maintenance:** Low; **Wildlife Value:** Host plant for Karner blue butterfly. <https://networkofnature.org/species/forbs/6116-lupinus-perennis.htm>

<i>Asclepias incarnata</i>	Swamp Milkweed	10	4"
----------------------------	----------------	----	----

Height/Spread: 3–5 ft tall, 2–3 ft wide; **Form:** Upright clumping perennial; **Bloom:** Pink to mauve flowers mid to late summer; **Light:** Full sun to part shade; **Soil:** Moist to wet; **Water:** Moderate to high; **Growth Rate:** Moderate; **Maintenance:** Low; **Wildlife Value:** Host for Monarch butterflies; attracts pollinators. <https://networkofnature.org/species/forbs/3092-asclepias-incarnata.htm>

<i>Penstemon hirsutus</i>	Hairy Beardtongue	5	4"
---------------------------	-------------------	---	----

Height/Spread: 1–2 ft tall and wide; **Form:** Upright perennial; **Bloom:** Tubular pink to lavender flowers in late spring to early summer; **Light:** Full sun to part shade; **Soil:** Well-drained; **Water:** Low to moderate; **Growth Rate:** Moderate; **Maintenance:** Low; **Wildlife Value:** Attracts bees and hummingbirds. <https://networkofnature.org/species/forbs/6720-penstemon-hirsutus.htm>

<i>Trillium grandiflorum</i>	White Trillium	15	3"
------------------------------	----------------	----	----

Height/Spread: 12–18 in tall and wide; **Form:** Low spreading perennial; **Bloom:** Large white three-petaled flowers in spring; **Light:** Part to full shade; **Soil:** Moist, rich, well-drained; **Water:** Moderate; **Growth Rate:** Slow; **Maintenance:** Low; **Wildlife Value:** Attracts pollinators. <https://networkofnature.org/species/forbs/8555-trillium-grandiflorum.htm>

<i>Trillium erectum</i>	Red Trillium	15	NA
-------------------------	--------------	----	----

Height/Spread: 12–18 in tall and wide; **Form:** Low spreading perennial; **Bloom:** Dark red three-petaled flowers in spring; **Light:** Part to full shade; **Soil:** Moist, rich, well-drained; **Water:** Moderate; **Growth Rate:** Slow; **Maintenance:** Low; **Wildlife Value:** Attracts pollinators. <https://networkofnature.org/species/forbs/8553-trillium-erectum.htm>

<i>Chelone glabra</i>	White Turtlehead	5	4"
-----------------------	------------------	---	----

Height/Spread: 3–4 ft tall, 1–2 ft wide; **Form:** Upright perennial; **Bloom:** White to pale pink turtle-shaped flowers late summer to fall; **Light:** Part shade to full sun; **Soil:** Moist to wet soils; **Water:** Moderate to high; **Growth Rate:** Moderate; **Maintenance:** Low; **Wildlife Value:** Attracts pollinators. <https://networkofnature.org/species/forbs/4086-chelone-glabra.htm>

<i>Chamaenerion angustifolium</i>	Fireweed	5	4"
-----------------------------------	----------	---	----

Height/Spread: 3–6 ft tall and wide; **Form:** Upright perennial; **Bloom:** Bright pink to purple flowers mid to late summer; **Light:** Full sun to part shade; **Soil:** Well-drained, tolerant of poor soils; **Water:** Moderate; **Growth Rate:** Fast; **Maintenance:** Low; **Wildlife Value:** Attracts pollinators. <https://networkofnature.org/species/forbs/4080-chamaenerion-angustifolium-linnaeus-scopoli.htm>

<i>Doellingeria umbellata</i>	Flat-topped Aster	5	4"
-------------------------------	-------------------	---	----

Height/Spread: 3–5 ft tall, 2–4 ft wide; **Form:** Upright perennial; **Bloom:** Small white daisy-like flowers late summer to fall; **Light:** Full sun to part shade; **Soil:** Moist, well-drained; **Water:** Moderate; **Growth Rate:** Moderate; **Maintenance:** Low; **Wildlife Value:** Attracts pollinators. <https://networkofnature.org/species/forbs/4629-doellingeria-umbellata.htm>

<i>Arisaema triphyllum</i>	Jack-in-the-pulpit	5	3"
----------------------------	--------------------	---	----

Height/Spread: 1–2 ft tall and wide; **Form:** Low perennial with unique hooded flower; **Bloom:** Greenish-purple spathe in spring; **Light:** Part to full shade; **Soil:** Moist, rich, well-drained; **Water:** Moderate; **Growth Rate:** Slow; **Maintenance:** Low; **Wildlife Value:** Attracts pollinators. <https://networkofnature.org/species/forbs/3022-arisaema-triphyllum.htm>

<i>Agastache nepetoides</i>	Yellow Giant Hyssop	5	4"
-----------------------------	---------------------	---	----

Height/Spread: 3–5 ft tall, 2–3 ft wide; **Form:** Upright perennial; **Bloom:** Pale yellow tubular flowers mid to late summer; **Light:** Full sun to part shade; **Soil:** Well-drained; **Water:** Moderate; **Growth Rate:** Moderate; **Maintenance:** Low; **Wildlife Value:** Attracts bees, butterflies, and hummingbirds. <https://www.gardenia.net/plant/agastache-nepetoides>
